Partner's Affiliates are not authorized to perform under this Agreement. Further, Partner shall not sublicense its rights under this Agreement or distribute the Product to any Sub-Reseller or its Affiliates.
- 2.2 **Restrictions.** This Agreement grants Partner no title to or ownership of the Product, and Partner receives no rights to the Products other than those specifically granted in Section 2.1 (*Authorization*) above. Without limiting the generality of the foregoing, Partner shall not reverse engineer, decompile, disassemble, or otherwise attempt to derive any of the Product's source code. Partner shall not use the Product acquired for resale under this Agreement for internal business purposes. Partner may not sub-license the Product, and Partner, Partner's Affiliates (if applicable), Sub-Resellers (if applicable) nor End-Customers will receive title to or ownership of any copy of the Product. Partner shall not, integrate the Product within its own software, products or services which are subsequently distributed or remove any Trademarks or other signs from the Product.
- 2.3 **Compliance with laws.**
 - 2.3.1 **General.** Partner shall comply with all laws and regulations applicable to it, related to its performance under this Agreement. Specifically, Partner shall strictly comply with all applicable laws and regulations in the countries in which Partner resells the Product Subscription Plans, including, but not limited to, all laws and regulations pertaining to the distribution, promotion, and marketing of the Product.
 - 2.3.2 **Government approvals.** Partner shall obtain all necessary import licenses or permits and any other government approval necessary for the importation of the Product into such country. Partner acknowledges that the Product may contain components implementing cryptography. Further Partner shall comply laws or regulations that require that the Product or this Agreement be registered with or approved by a government entity, after prior written notice to Lansweeper specifying the required registration or approval.

- 2.3.3 *Export laws.* Partner shall comply with European Union, U.S., international or other applicable regulation, treaty, resolution, executive order, law, statute, or order related to the export of the Product, as applicable.

3 ORDERING AND DELIVERY

3.1 Order process.

3.1.1 End-Customer Paid Subscription Plans for the Product can be ordered through the following procedures: (i) placing an Order directly through Lansweeper's Website; (ii) requesting an automatic quote through Lansweeper's Website; or (iii) requesting a customer quote from a Lansweeper representative. As determined by Lansweeper or mutually agreed upon between Parties, Orders may be handled through Lansweeper's e-commerce partner or facilitated directly through Lansweeper. In the latter case, Partner must send a PO to Lansweeper.

3.1.2 Lansweeper quotes are only valid when issued by a Lansweeper representative and are noncommittal and do not create any agreement between Partner and Lansweeper, until the quote and this Agreement (which is incorporated by reference into the quote) are acknowledged and accepted by Partner. Quotes are only valid for a limited duration as indicated on the quote. If no such term is provided on the quote, the quote shall only be valid for thirty (30) calendar days as of the date of the quote. Orders (including POs) placed by Partner are not binding upon Lansweeper, unless duly acknowledged and accepted by Lansweeper and following Partner's acceptance of this Agreement. All purchase and other conditions of Partner, irrespective of their name or the way they are transmitted, are expressly excluded and shall be null and void. Lansweeper may refuse any Order (including any PO) which includes any Licensee's terms and conditions.

3.2 End-Customer identification. When requesting a quote, Partner shall identify each End-Customer to Lansweeper in writing, providing the full legal name, registered office/physical address, e-mail address, contact-person name and contact-person e-mail address. When placing an order directly through Lansweeper's Website, Partner must provide the required End-Customer's details in the 'licensee details' section on the Website. Partner must provide its own details after having checked the 'different billing address' checkbox.

3.3 Extended Scope of Use.

3.3.1 During the Plan Duration (as defined below), Partner may increase the Scope of Use of the End-Customer's Subscription Plan by adding Assets or Help Desk-Agents (as defined in Lansweeper's Terms of Use). In such case, Partner may request a quote from Lansweeper for such upsell. To obtain a unified Plan Duration for the End-Customer, Partner will have the following options:

- a) make the Plan Duration for the existing Subscription Plan coterminous with the Plan Duration for the new Subscription Plan. Concretely, this implies the start of a new Plan Duration for the extended Subscription Plan. In such case, the unused portion of the existing Subscription Plan is credited from the amount due for the new Subscription Plan; or
- b) make the Plan Duration for new Subscription Plan coterminous with the Plan Duration for the already existing Subscription Plan. In such case, the license fee for the extended part of the Subscription Plan is calculated on a pro-rata basis for the remaining duration of the existing Plan Duration.

3.3.2 Further, Partner may amend, i.e., increase or decrease, the End-Customer's Scope of Use at the start of the End-Customer's next renewal period. In such case, Partner may request a quote at least thirty (30) days before the expiry date of the End-Customer's Subscription Plan.

3.4 License Keys.

3.4.1 Lansweeper will deliver the License Key by email to the Billing Contact email address provided by Partner after Lansweeper has received payment of the applicable license fees for the ordered End-Customer Subscription Plan. By way of exception to the foregoing, if Partner has placed a valid PO with Lansweeper, Partner will first receive a 30-day temporary License Key. Upon receipt of the license fees within payment due date, Partner will receive a full License Key covering the remainder of the End-Customer Subscription Plan Duration. If Partner would have received a full License Key without having settled all payments due for the concerned End-Customer Subscription Plan, Lansweeper reserves the right to disable the applicable License Key until receipt of full payment.

3.4.2 Partner is responsible for providing the License Key to the End-Customer.

3.4.3 In case of a renewed End-Customer Subscription Plan, Lansweeper will provide a new unique License Key subject to the conditions above. If Partner chooses not to renew the End-Customer Subscription Plan, the License Key will be disabled as of the expiry date of the current End-Customer Subscription Plan Duration. In case of late payment, the License Key for the renewal period will start retroactively on the date on which the End-Customer Subscription Plan is due for renewal.

4 SUBSCRIPTION TERMS

4.1 Duration. Unless otherwise agreed, the End-Customer Subscription Plan has a Plan Duration of one (1) year as of provision of the License Key as per section 3.4 (*License Keys*) of this Agreement.

4.2 Renewal and cancellation. The End-Customer Subscription Plan will automatically renew for successive periods of one (1) year (irrespective of the initial Plan Duration) unless Partner provides Lansweeper with a notice of its intent not to renew with a prior notice of thirty (30) calendar days before expiry of the End-Customer Subscription Plan Duration. Should the concerned End-Customer not wish to renew its Subscription Plan, it is Partner's responsibility to opt the End-Customer out of the automatic renewal system no later than before expiry of the End-Customer Subscription Plan. Notwithstanding the foregoing, Partner accepts and acknowledges that in case of Direct Billing, Partner shall place a PO with Lansweeper no later than before the Subscription Plan expiry date to secure the renewal.

4.3 Refund. If, as a consequence of Lansweeper's execution of its contractual obligations with an End-Customer, Lansweeper, in its sole discretion, deems that the End-Customer would be eligible to receive a pro-rated refund from Lansweeper for a Subscription Plan purchased through Partner, and Lansweeper provides such refund to Partner, Partner will, upon receipt, immediately pay this pro-rated refund to the concerned End-Customer.

5 PRODUCT TERMS

- 5.1 Warranty. Lansweeper licenses the Product to End-Customers with the warranties as described in the Terms of Use (“**Warranties**”). All Products are provided to Partner “as is” and “as available” and Lansweeper and its licensors expressly disclaim any and all warranties and representations of any kind, including but without limitation any warranty of fitness for a particular purpose, functionality or merchantability, whether express, implied or statutory. Partner’s instructions to End-Customers on the use of the Product shall be consistent with Lansweeper’s Warranties and Documentation. Partner shall not make any representation, warranty or condition about the Product.
- 5.2 Product updates. Lansweeper shall provide the End-Customer with Product updates as described in the Lansweeper Terms of Use. Partner acknowledges and agrees that Lansweeper may change the features and functionalities of the Product or release a new version of the Product at any time and for any reason including, but not limited to, to respond to market changes, government regulation, orders, or law, to enhance innovation in the product offering, or to address the End-Customer’s needs.

6 PRICING AND PAYMENT

- 6.1 Price and discount. Lansweeper calculates the license fees for its Product according to a unit price per Asset for a Subscription Plan. Lansweeper’s unit price is available on Lansweeper’s Website. Any discounts, if applicable, are provided at Lansweeper’s discretion.
- 6.2 License fee rate changes. Lansweeper reserves the right to increase its unit price at any time. However, any price increase will only have effect upon renewal of the concerned End-Customer Subscription Plan and is subject to a thirty (30) calendar day written notice by Lansweeper to Partner.
- 6.3 Currencies. Unless explicitly otherwise agreed, Lansweeper will apply the following currencies for its license fees, based upon the country of the Billing Contact address provided by Partner: United Kingdom: GBP; United States, Canada and Latin America: USD; rest of the world: EUR.

- 6.4 Payment, term. Lansweeper invoices the license fees directly to Partner (“**Direct Billing**”) or through its e-commerce partner (i.e. “**Indirect Billing**”). Lansweeper offers the following payment methods, with the following corresponding payment terms:
- Credit card and PayPal: real time payment (only available for indirect billing);
 - Wire transfer and cheques: payment term is NET thirty (30) calendar days from the date of invoice.

If applicable, Partner is obliged to update its credit card details from time to time through the hyperlink that is provided by Lansweeper, and no later than before expiry date of Partner’s credit card. In case of none or late payment by Partner, Lansweeper may hold all pending Orders or suspend further distribution of License Keys until Lansweeper receive all payments due under this Agreement. This will not affect active End-Customer Subscription Plans for which Lansweeper has received due payment from Partner.

- 6.5 Taxes. All license fees payable under this Agreement are exclusive of import duties, value added tax or any other applicable taxes. Partner shall pay any applicable taxes and third-party fees and shall comply with the applicable tax regulations. In the event any withholding tax (meaning any income, sales, use, gross receipts, business, occupation and other taxes and similar charges imposed by any government or other authority on Lansweeper in which Partner is required by law to withhold or deduct on the license fee payment to Lansweeper) is levied on the license fees, then Partner shall increase the sums paid to Lansweeper so the amount received by Lansweeper after the withholding tax is deducted is the full amount Lansweeper would have received if no withholding or deduction had been made. Lansweeper may apply and charge these withholding taxes back to Partner, after Partner has paid the license fees, where withholding taxes were withheld by Partner. Notwithstanding the foregoing, Lansweeper will employ reasonable efforts to cooperate to avoid any withholding tax if exemptions, or a reduced treaty withholding rate, are available. In such an event, Lansweeper will employ reasonable efforts to provide Partner with a tax residency certificate to allow the Partner to benefit from the exemption of the reduced treaty withholding rate. For the avoidance of doubt, in the event a reduced treaty withholding rate applies, Partner will still be held to gross up the payment for the license fees to cover the reduced withholding taxes withheld. Notwithstanding the foregoing, in case of indirect billing the tax provisions of Lansweeper’s e-commerce partner shall apply.
- 6.6 Freedom to establish End-Customer pricing. Partner shall be free to determine its own pricing for the resale of End-Customer Subscription Plans. Partner shall bear all risk of non-payment by End-Customers and shall be solely responsible for all its costs and expenses. Partner may not terminate this Agreement, nor receive any refunds, due to non-payment by an End-Customer.

7 LANSWEEPER TERMS OF USE ACCEPTANCE

- 7.1 Lansweeper Terms of Use. Each End-Customer must accept Lansweeper’s Terms of Use to be able to use the Product. Partner shall inform the End-Customer that the Terms of Use must be accepted by the End-Customer to validly use the Product through the acceptance procedure provided by Lansweeper. Partner will not resell the Product to any End-Customer that has not been informed thereof. Lansweeper may send direct communications to End-Customers related to the Terms of Use or the operation or delivery of the Product.

Such promotional materials may be used solely in connection with the Product. Lansweeper (or its licensor(s)) shall retain all intellectual property rights, including but not limited to copyrights, in the Promotional Materials.
